AMAEYYA NANOPLASTIA

AMAEYYA NANOPLASTIA advanced technique utilizes nanotechnology and nanosized particles to penetrate deep into the hair shaft, providing comprehensive hair restoration and beautification.

The fundamental principle of AMAEYYA Nanoplastia lies in the unique nanoparticles that are infused with essential nutrients, amino acids, and keratin proteins. These powerful components synergistically work to repair damaged hair, boost elasticity, and create a smoother texture, leaving hair silky, shiny, and frizz free and feeling rejuvenated.

AMAEYYA Nanoplastia will straighten 70-90% of your hair. This treatment lasts 2-3 months

AMAEYYA NANOPLASTIA

is the "Amino Fusion," with Zero Formaldehyde and nano technology-based formula , directly works on cortex layer of the hair and prevents breakage of hair and protects hair from mechanical stress making it the best and most cutting-edge option for natural hair care.

Marvelous Benefits of AMAEYYA NANOPLASTIA TREATMENT

Hair Repair and Rejuvenation

Amaeyya Nanoplastia's nanoparticles work wonders in repairing damaged hair addressing issues such as split ends and restoring vibrancy to dull hair

Frizz Reduction and Manageability

The treatment significantly reduces frizz, making hair more manageable and easier to style.

Smooth and Silky Texture

Amaeyya Nanoplastia imparts a silky-smooth texture to the hair, reducing flyaways and roughness.

Long-lasting Results

Amaeyya Nanoplastia's effects can last for weeks or even months, depending on individual hair care routines and maintenance.

Enhanced Elasticity and Strength

Infused with keratin proteins, Amaeyya Nanoplastia strengthens the hair fibers, leading to improved elasticity and reduced breakage.

AMAEYYA HAIR BOTOX

Amaeyya Hair Botox nutrient based system that will repair damaged hair with a hair fibre coating filled with vitamins and nutrients.

Amaeyya Hair botox will create silky, shiny and frizz free hair and drastically reduce styling time.

Amaeyya Hair botox will not permanently straighten hair or change your natural curl pattern.

Hair Botox treatment is a revitalizing process that deeply nourishes the hair, restoring its natural beauty and health.

ULTIMATE NUTRIENT INFUSED SMOOTHING TREATMENT

AMAEYYA HAIR BOTOX

with Formaldehyde FREE operates on a scientific basis that emphasizes hair fiber restoration and long-term conditioning. The treatment addresses the hair's cortex, filling in gaps, targets the hair's cuticles and cortex, filling in any imperfections and revitalizing the overall structure.

Comprehensive Benefits of Hair Botox Treatment

Restores Damaged Hair

The rich formula targets damaged and brittle hair, repairing it from the inside out. This dramatically reduces the appearance of split ends and breakage.

Enhances Moisture and Elasticity

By infusing the hair with vital nutrients like vitamins and collagen, hair botox treatment improves its elasticity. This makes the hair more flexible and less prone to snapping and breaking, thus maintaining its integrity.

Adds Lustrous Shine

A notable effect of hair botox treatment is the added lustrous shine it imparts. Dull, lifeless hair is revitalized, appearing healthier and more vibrant after treatment.

Controls Frizz and Flyaways

The smoothing properties of the botox formula help in taming frizz and controlling flyaways, leading to a sleeker, more polished look.

Long-Lasting Results

One of the most appealing aspects of hair botox treatment is the duration of its effects, depending on the individual's hair type and care routine.

AMAEYYA KERATIN CARE

FORMALDEHYDE & TOXIC CHEMICALS FREE. Our products restore the hair from inside out to deliver beautiful tame, shiny healthy hair without the frizz and unruliness that hair can be due to harsh elements like sun damage, excessive heating tools and harsh chemical dyes.

AMAEYYA KERATIN formulations set us apart from all other keratin hair treatments in the market and make us relevant in a time when “Green is in”.

AMAEYYA KERATIN range helps strengthen hair to prevent breakage, heat damage, and frizz—is vitally important for maintaining strong and healthy hair.

AMAEYYA KERATIN treatment helps in taking care of frizz, smoothens, and straightens your hair. It makes hair manageable and easy to style.

SLEEK, SMOOTH, AND FRIZZ-FREE HAIR

AMAEYYA KERATIN CARE

FORMALDEHYDE FREE treatment is a hair smoothing and straightening treatment that uses keratin to improve the condition and appearance of hair.

It works by penetrating the hair shaft and coating the hair strands with a layer of keratin protein, which helps to repair the damage, add shine, reduce frizz, and improve the overall health and strength of the hair.

Improves hair texture

Keratin treatment can make hair smoother, shinier, and more manageable, making it easier to style and reduce frizz.

Repairs hair damage

Keratin treatment can help repair damaged hair by filling in gaps in the hair cuticle and providing a protective layer to the hair shaft.

Protects against environmental damage

The added layer of keratin protein can protect hair from environmental stressors such as heat styling and UV exposure.

Safe for all hair types

Keratin treatments are suitable for all hair types, including colour-treated hair, and can help improve the overall health and appearance of the hair.

SUITABLE FOR ALL HAIR TYPES OF ALL GENDER & AGE

Essential Oil: Lavender

AMAEYYA LAVENDER ESSENTIAL OIL's topical application strengthens hair follicles and promotes hair growth.

KEY BENEFITS

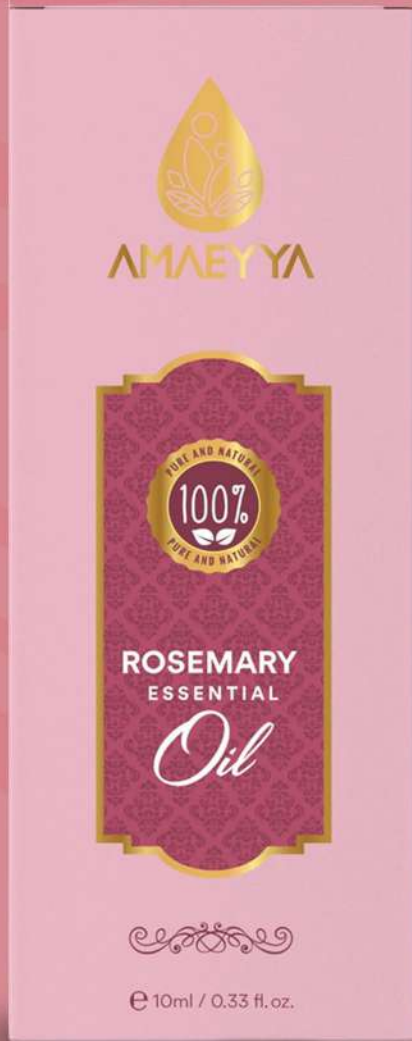

Regularly applying AMAEYYA Lavender Oil

- improves hair texture by conditioning the hair follicles,
 - reduces frizz
- Controls hair fall
- averts hair loss by treating dandruff and reducing pattern baldness.

Essential Oil: Rosemary

AMAEYYA ROSEMARY ESSENTIAL OIL strengthens blood circulation. As a result, it prevents hair follicles from being starved of blood supply, dying off and leading to hair loss.

Beyond stimulating hair growth, rosemary essential oil is used to prevent premature graying of Hair and dandruff. It may also help dry or itchy scalp.

KEY BENEFITS

Rosemary oil treats androgenetic alopecia by preventing a byproduct of testosterone from attacking the hair follicles, which is the cause of this condition.

Rosemary oil fights patchy hair loss or alopecia areata, which affects up to half the population below age 21 and about 20% of people above 40.

Rosemary Oil stimulates Hair Growth.

Diluted Rosemary Essential Oil to be massaged into scalp twice daily for six months to experience visible increase in hair thickness in people suffering from Alopecia.

Essential Oil: Tea Tree

AMAEYYA TEA TREE ESSENTIAL OIL's natural antiseptic and anti-inflammatory actions makes it one of the most beneficial oils that should included as part of your daily hair and skin care routine.

KEY BENEFITS

Its antimicrobial, antibacterial, and anti-inflammatory properties makes it a potent treatment for dandruff, improving overall scalp health.

Healthy hair and new growth start at the scalp, so improving your scalp health should be the first step in any attempt to increase hair growth.

Using small amounts of diluted tea tree oil down the shaft of the hair will help prevent buildup of chemicals and dead skin. This keeps your hair healthy and moisturized, which can help it grow at its normal rate and prevent it from falling out. Dandruff is caused by an accumulation of scaly, dry skin on your scalp.
