SCIENCE BACKED SOLUTION FOR

Healthier Hair

NANOPLEX

HAIR TREATMENT

100% FORMALDEHYDE FREE

SUITABLE FOR ALL TYPE OF HAIR

Infused with

Nano-keratin, Collagen, Amino Acids, Sea Buckthorn Berry Oil

SCIENCE BACKED SOLUTION FOR

Healthier Hair

Nanoplex hair treatment is a revolutionary procedure that aims to repair damaged hair, reduce frizz, and enhance the overall appearance and texture of the locks. It utilizes advanced nanotechnology and potent ingredients to deliver transformative results. - formaldehyde free, single sitting formulation infused with amino acids: advanced hydrolyzed keratin, collagen & milk protein. Penetrates deep into the hair to repair damage at the molecular level. Our unique formula seals the cuticle, locks in moisture, and gives unparalleled shine and smoothness, leaving hair frizz-free with no harsh chemical smells. It is suitable for various hair types and can be customized based on individual needs. Effectively control frizz and results with smoother hair.

ADVANTAGES

- Formulated with Ingredients that are organic and safe.
- Hair quality is restored at the level.
- Hydrates hair and prevents damage.
- It adds gloss and smoothness.
- Provides you with super-slick, straight hair.
- There is no frizz.
- No irritating smell during the procedure.
- The procedure completes in a single sitting.
- The procedure is not harmful.
- Long-lasting (8-10 months).

DIRECTION OF NANOPLEX TREATMENT

1. Wash the hair twice with Clarifying shampoo for 3-5 minutes and massage gently.
2. Blow-dry the hair using a medium heat until the hair is completely dry and 90% for extremely damaged hair.
3. Part hair into 4 sections. Apply nanoplex treatment. Apply a nanoplex treatment with an application brush section by section 1.5 inch from root. Comb the solution throughout the hair entirely.
4. Leave the treatment for 45 minutes for treated/frizzy hair and up to 60 minutes for very virgin hair & 90 minutes for henna-coated and curly hair.
5. Rinse the hair thoroughly with water, removing 50% of the product.
6. Then blow dry the hair using cold to medium heat until the hair is completely dry.
7. Use a ceramic flat iron that can maintain a temperature of 210oC - 250oC. The hair should be properly styled with 10 to 15 strokes on each section.

LENGTH	TEMPERATURE	REPETITIONS ON LENGTH	REPETITIONS ON ENDS
Damage, Fine Hair, Over Treated Colored Highlights & Curly Hair	±200-220°C	12-15	5-7
Very Thick & Curly, Virgin	±230-250°C	12-15	5-7

8. Rest for 10 minutes & wash hair with Amaeyya replenishing conditioning hair mask.
9. Same day wash using Amaeyya hair mask or conditioner. If you wash after 24 hours, use Amaeyya replenishing shampoo and conditioner.

SCIENCE BACKED SOLUTION FOR

Healthier Hair

BT-OX

HAIR TREATMENT

100% FORMALDEHYDE FREE

SUITABLE FOR ALL TYPE OF HAIR

Infused with

Argan Oil, Shea Butter, Wheat Protein & Collagen

SCIENCE BACKED SOLUTION FOR

Healthier Hair

BT-OX Treatment is a revolutionary hair treatment containing luxurious ingredients designed to repair and rebuild hair structure. This highly effective treatment straightens hair by 90-100%, leaving it healthy, glossy, and easy to manage. Unlike other straightening treatments, Blueteach does not contain formaldehyde. Instead, it is enriched with amino acids and collagen, which help seal the hair from root to tip. By penetrating the cortex layer of the hair, this treatment restores its condition, giving it a silky and smooth finish. Each application adds incredible soleness and yarduon and elminides in ZL, making the hair much easier to manage.

ADVANTAGES

- Helps Provide Youthful-looking Hair.
- Ensures Deep Conditioning for Frizzy Hair.
- Reverses Hair Damage.
- Ideal for All Types of Hair.
- Helps Provides a Straight and Smooth Look.
- Helps Strengthen Follicles and Prevent Damage.

DIRECTION OF BT-OX TREATMENT

1. Wash the hair twice with Clarifying shampoo for 3-5 minutes and massage gently.
2. Rinse well and towel dry. Blow dry the hair using. A medium heat until the hair is completely dry.
3. Part hair into 4 sections. Apply Amaeyya BT-oX treatment with an application brush section by section 1.5 inch from root. Do not over saturate. Comb the solution throughout the hair entirely.
4. Leave the treatment for 45 minutes for treated/frizzy hair and up to 60 minutes for very curly and virgin hair.
5. Rinse the hair thoroughly with water, removing 60% to 70% of the product.
6. Blow dry hair completely 100% using your blow dryer and a round hair brush.
7. Use a ceramic flat iron that can maintain 210°C-250°C to iron the hair properly with 10 to 15 strokes on each section.

LENGTH	TEMPERATURE	REPETITIONS ON LENGTH	REPETITIONS ON ENDS
Damage, Fine Hair, Over Treated Colored Gighlights & Curly Hair	±170-230°C	10-15	5-7
Very Thick & Curly, Virgin	±170-230°C	10-15	5-7

8. Rest for 10 minutes & wash hair with Amaeyya hair mask.
9. Same day wash using Amaeyya hair mask or conditioner. If you wash after 24 hours using Amaeyya replenishing shampoo and post conditioner.
